

Minutes

Kimball Parks and Recreation Board Meeting
July 13, th2006
5:00 PM

Members Present: Chester Blevins
Teresa Smith
Mark O'Leary
Eric Turney
Levoy Gudger

Members Absent: Butch Witcher
Terry Case

Others present: David Jackson
Rance Castle
Jim Lofly

O'leary led the prayer. Gudger called roll. Blevins made motion to accept minutes from last meeting and O'leary seconded the motion.

We started with number five on the agenda because Michael Price was running late. Discussion was brought up as to whether to do a single or two story concession stand. Rance Castle suggested an octagon shape to save on field lighting. Smith suggested doing a two story to increase square footage for the price of building the concession stand. A list was compiled for things the group would like to see in the concession stand for the architect to draw up. The list included: two story building made from split faced block, small restroom upstairs, meeting room upstairs, windows facing each field, downstairs would be concession, public restrooms, storage room, and concrete floor with drains. Motion was made by Gudger to approve the list, Turney seconded, Mayor Jackson agreed to give the list to the engineer.

Next was agenda number 4, Price moved playground to other end of the parking area, the fields would be set at the 610 mark and concessions would be above the 100 year flood mark. Price turned the plans into TDEC to have work take place in the fall. Mayor Jackson and the City of Kimball will be the general contractor, O'leary suggested one regulation soccer field 180, and two smaller fields. Smith made a motion to get approval to get work started in the fall, Blevins seconded all in favor.

Next meeting is schedule for August 10, 2006 at 5pm.

Meeting adjourned.

Chester E. Blevins
Park Board Member
